Latest Updates

The latest information in Bayside Manor's efforts regarding COVID-19 can be found [here](#).

2023

2-27-2023 At this time the facility maintains its' COVID free status . The mask mandate however remains in place as Monmouth county is still categorized as "HIGH RISK" per the CALI (COVID-19 Activity Level Index) score.

3-27-2023 At this time due to COVID-19 not presenting an issue in the facility and the Monmouth County CALI score being low , the mask mandate is now optional for all . Screening for all employees and visitors is still mandatory before entering the facility.

5-1-2023 Bayside is anticipating delivery of its new canopy system for the main courtyard in early June. This customized canopy will allow our residents to enjoy the outdoors in a more comfortable setting without direct exposure to the elements.

8-10-2023 COVID cases are present in the facility. All visitors must screen in before entering the building and wear a mask. Activities remain with social distancing in place although, bringing in entertainers has been placed on hold temporarily. Dining services will continue with measures in place to social distance residents in the dining room .
